Presents:

Your Workplace: The Times They Are A-Changin'

Andy Teach is a 30-year corporate veteran. After graduating from Rutgers College, he began his career working for two advertising agencies in New York City. After that, he worked at a major television/motion picture studio in Los Angeles for over 20 years where he was most recently Vice-President of Network & Cable Research. He is the author of a career advice book entitled *From Graduation to Corporation: The Practical Guide to Climbing the Corporate Ladder One Rung at a Time* and is currently lecturing at colleges and universities. For more information about Andy, please check out his website at www.andyteach.com.

Topic: Our workplace has evolved over the years. Our guest speaker, an expert on workplace issues, will discuss many of the key issues in the modern workplace . . . and how to deal with, and survive, this environment. The topics include: • A Job vs. A Career • The Generation Gap At Work and How To Overcome It • Your Work Reputation • Being Late/Staying Late • Work/Life Balance • The Employee Review/Constructive Criticism • How To Motivate Your Staff/Manage Millennials • Initiate/Anticipate/Cooperate • How To Stay Organized • How To Act In Meetings • How to Be A Good Presenter • Dating In The Workplace • Your Web Page • Being Out of The Office • How To Ask For A Promotion/Raise • The Dress Code • Telephone/Internet/Email Etiquette • The People At Work • Andy's Corporate Commandments
